Heart of Jesus, Symbol of Love
The Church, governed and taught by the Holy Ghost, has approved and recommended devotion to the Sacred Heart of Jesus. In our age of religious indifference, when fervor and charity have grown cold, Jesu exhibits to the world His Sacred Heart as the symbol of God's infinite love—the symbol of His own generous self-sacrificing love for men. Jesus shows His Divine Heart as a furnace whose burning rays of love are able to reanimate faith and rekindle love in hearts grown cold and ungrateful.

But why His Heart? Because in every language, in every age, the heart is regarded as the natural symbol of love and affection. What more natural and expressive symbol is there, then, of the excessive love of Jesus than His Sacred Heart? The direct and material object of devotion to the Sacred Heart is the real, physical Heart of Jesus—the Heart of flesh, the living and loving Heart of our Blessed Lord; the Heart that beats in His Divine breast at the moment of the Incarnation; the Heart that loved us during the life of Jesus on earth, that poured forth its blood to the last drop on Mount Calvary; the beatified Heart now glorious in Heaven and still dwelling among us in the Blessed Sacrament; the Heart ever united to the Person of the Divine Word, to whom is due supreme homage and adoration.

We the Christians are the true Israel which springs from Christ, for we are carved out of His heart as from a rock.—St. Justin Martyr (d. 165).

Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls.—Matthew 11:29.

There is in the Sacred Heart the symbol and express image of the infinite love of Jesus Christ which moves us to love in return.—Pope Leo XIII.

Devotion to the Sacred Heart of Jesus is devotion to Jesus Christ Himself, but in the particular ways of meditating on His interior life and on His threefold love—His divine love, His burning love that fed His human will, and His sensible love that affects His interior life. Pope Pius XII of blessed memory writes on this topic in his 1956 encyclical, *Haurietis Aquas* (On Devotion To The Sacred Heart). Below are a few excerpts which help explain the devotion:

54... the Heart of the Incarnate Word is deservedly and rightly considered the chief sign and symbol of that threefold love with which the divine Redeemer unceasingly loves His eternal Father and all mankind.

55... It is a symbol of that divine love which He shares with the Father and the Holy Spirit but which He, the Word made flesh, alone manifests through a weak and perishable body, since "in Him dwells the fullness of the Godhead bodily."

God Bless, Father Raymond

GETTING THROUGH THE HOLIDAY . .

There are numerous kinds of loss: divorce, job, miscarriage, loss of health, loss of independence, death of a loved one, etc. St. Cecilia Grief Ministry is here to help. Call the parish office if you need us.

Different folks are comforted in different ways. If you need to "take a holiday from the July 4th holiday," give yourself full permission to bow out of the celebration this year. You have been given membership in a club you never wanted to join. It is a club that will age you, will mature you, and will teach you many things you could never have learned otherwise. Your life will never be the same again, but it can be meaningful again—in some cases more meaningful than ever before.

If you would like to receive the confidential support of a Grief Minister, please call the parish office and we will get in touch with you.
